Dear Fellow Stockholder:

NexPoint Advisors, L.P. (together with the other members of the NexPoint Group (as defined in the attached proxy statement)) are collectively the beneficial owners of an aggregate of 335,100 shares of common stock, par value \$0.001 per share (the "Common Stock"), of Medley Capital Corporation ("MCC" or the "Company"). We are writing to you regarding the Company's annual meeting of stockholders scheduled to be held on Tuesday, June 4, 2019 at 12:00 p.m., Eastern time, at the offices of Eversheds Sutherland (US) LLP located at 1114 Avenue of the Americas, 40th Floor, New York, New York 10036, including any adjournments or postponements thereof and any meeting that may be called in lieu thereof by the Company (the "Annual Meeting").

As you may know, the Company previously announced a series of transactions pursuant to which the Company would merge with Sierra Income Corporation ("Sierra") and by which Medley Management Inc. ("MDLY") would merge with a wholly-owned subsidiary of Sierra (collectively, the "Medley Mergers"). On February 11, 2019, FrontFour Capital Group LLC and FrontFour Master Fund, Ltd. filed a stockholder class action complaint in the Court of Chancery of the State of Delaware against defendants Brook Taube, Seth Taube, Jeff Tonkel, Mark Lerdal, Karin Hirtler-Garvey, John E. Mack, Arthur S. Ainsberg, MDLY, Sierra and the Company, alleging that the individuals named as defendants breached their fiduciary duties to the Company's stockholders in connection with the Medley Mergers, and that MDLY and Sierra aided and abetted those alleged breaches of fiduciary duties. As we discuss in more detail in the attached proxy statement, the Delaware Chancery Court issued a Memorandum Opinion on March 11, 2019 (the "Opinion") holding, in part, that the Company's directors violated their fiduciary duties in approving the Medley Mergers.

As a result of these recent events, we believe meaningful changes to the composition of the Board are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. While we were pleased that the Board appointed David A. Lorber and Lowell W. Robinson on April 15, 2019 to fill the vacancies resulting from the resignations of Mark Lerdal and John E. Mack, we believe two additional independent directors are necessary to protect your interests and your investment in the Company. As such, we urge you to act now to:

Vote FOR our competing slate of two director nominees, nominated by Highland Select Equity Master Fund, L.P., a member of the NexPoint Group, and named in the attached proxy statement and proxy card, to serve on the Board for the terms specified in the attached proxy statement.

We believe that the Board will greatly benefit from the addition of directors with relevant skill sets and a shared objective of enhancing value for the benefit of all MCC stockholders. The individuals that we have nominated are highly-qualified, capable and ready to serve the stockholders of MCC. Even though we are seeking to become the Company's external investment adviser, we believe our nominees – who are unaffiliated with any members of the NexPoint Group – will act solely in the best interests of all MCC stockholders. We further believe that electing our two director nominees will deliver an appropriate message to the remaining directors who approved the Medley Mergers regarding their obligations to the Company's stockholders.

While we make no recommendation with respect to the ratification of the appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2019, we intend to vote our shares FOR this proposal.

To assist you with your decision, we have provided a set of questions and answers beginning on page 4 of the attached proxy statement (the "Q&A"). The NexPoint Group urges you to carefully consider the Q&A

together with the other information contained in the attached proxy statement and then support its efforts by voting your shares today by signing, dating and returning the enclosed BLUE proxy card in the postage paid envelope provided or vote through the Internet (which is an option for voting on behalf of beneficial owners but not for voting by stockholders of record of shares of Common Stock). The attached proxy statement and BLUE proxy card are first being furnished to the stockholders on or about May 13, 2019.

Your vote is important. Please DISCARD any WHITE proxy card you have received from the Company. If you have already sent a proxy card furnished by the Company's management to the Company, we urge you to revoke it and change your vote by signing, dating and returning today the enclosed BLUE proxy card in the postage paid envelope provided. **ONLY YOUR LATEST DATED PROXY CARD COUNTS!**

Thank you for your support,

NexPoint Advisors, L.P.

Why is the NexPoint Group sending me this Proxy Statement?

Pursuant to the Company's charter and bylaws, the Board is divided into three classes, designated Class I, Class II, and Class III. Directors are elected for a staggered term of three years each, with a term of office of one of the three classes of directors expiring each year. At the Annual Meeting, two Class II directors will be elected for a three year term. Mr. Seth Taube and Mr. Arthur S. Ainsberg, current directors on the Board whose terms are expiring at the Annual Meeting, have been nominated by the Company for re-election for a three year term expiring in 2022.

We have nominated Mr. Stephen A. Mongillo and Mr. Mark T. Goglia for election to the Board for a three year term expiring in 2022. We are seeking representation on the Board because we believe that the Board will benefit from the addition of directors with relevant skill sets and a shared objective of enhancing value for the benefit of all MCC stockholders. While we were pleased that the Board appointed David A. Lorber and Lowell W. Robinson on April 15, 2019 to fill the vacancies resulting from the resignations of Mark Lerdal and John E. Mack, we believe two additional independent directors are necessary to protect your interests and your investment in the Company. The individuals that we have nominated are highly-qualified, capable and ready to serve the stockholders of MCC. Even though we are seeking to become the Company's external investment adviser, we believe our nominees – who are unaffiliated with any members of the NexPoint Group – will act solely in the best interests of all MCC stockholders.

The election of a director requires the affirmative vote of a plurality of the votes cast by holders of Common Stock as of the Record Date present or represented by proxy at the Annual Meeting. This means that if there are more candidates for election than there are positions on the Board to be filled, the two candidates receiving the most votes will be elected.

Stockholders may not cumulate their votes. A stockholder can vote for or withhold his or her vote from each nominee. If you vote "Withhold Authority" with respect to a nominee, your Shares will not be voted with respect to the person indicated. Abstentions and "broker non-votes" are not considered votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election.

Why is the NexPoint Group nominating directors?

The NexPoint Group believes that the Board, aside from the recently appointed directors, has failed to act in your best interests by, among many other things, failing to negotiate on your behalf and succumbing to the interests of Brook and Seth Taube. We further believe the Medley Mergers (as defined below) would enrich Medley Management Inc. (particularly its co-CEOs Messrs. Brook and Seth Taube), at the expense of MCC stockholders.

On August 9, 2018, MCC, Sierra Income Corporation ("Sierra"), and Medley Management Inc. ("MDLY") jointly announced the execution of: (1) an Agreement and Plan of Merger (the "MCC Merger Agreement") by and between MCC and Sierra, pursuant to which MCC will, on the terms and subject to the conditions set forth in the MCC Merger Agreement, merge with and into Sierra, with Sierra as the surviving company in the merger (the "MCC/Sierra Merger"); and (2) an Agreement and Plan of Merger (the "MDLY Merger Agreement") by and among MDLY, Sierra, and Sierra Management Inc., a wholly-owned subsidiary of Sierra ("Sierra Management"), pursuant to which MDLY will, on the terms and subject to the conditions set forth in the MDLY Merger Agreement, merge with and into Sierra Management, with Sierra Management as the surviving company in the merger (the "MDLY/Sierra Merger" and together with the MCC/Sierra Merger, the "Medley Mergers").

Subject to the terms and conditions of the MCC Merger Agreement and the MDLY Merger Agreement, the Medley Mergers will result in the formation of a combined BDC (the "Surviving Company") which will in turn wholly own a registered investment adviser. In the MCC/Sierra Merger, shares of MCC Common Stock would be converted into the right to receive 0.8050 shares of Sierra Common Stock. In the MDLY/Sierra

Merger, each share of MDLY Class A Common Stock issued and outstanding immediately prior to the effective time of the MDLY/Sierra Merger (other than Dissenting Shares and Excluded Shares (as defined in the MDLY Merger Agreement)) would be converted into the right to receive (A) 0.3836 shares of Sierra Common Stock; plus (B) cash in an amount equal to \$3.44 per share. In addition, the holders of MDLY Class A Common Stock issued and outstanding on the applicable record dates would have the right to receive \$0.35 per share of the First Special Dividend (as defined in the MDLY Merger Agreement) (or other payments) and \$0.30 per share of the Second Special Dividend (as defined in the MDLY Merger Agreement) (or other payments), as well as regularly scheduled dividends through closing of the MDLY/Sierra Merger. Each share of MDLY Class B Common Stock issued and outstanding immediately prior to the effective time of the MDLY/Sierra Merger (other than Dissenting Shares) would be canceled without consideration therefor.

- The Medley Mergers siphon over \$100 million of cash from the Surviving Company in favor of the MDLY stockholders;¹
- Under the Medley Mergers, more than \$75 million of that cash is being paid to Messrs. Brook and Seth Taube, MDLY's co-CEOs;
- We believe the Medley Mergers significantly undervalue MCC and thus dilute MCC's stockholders; and
- We believe the valuation determination in the Medley Mergers is particularly unfair to MCC stockholders because they are contributing tangible assets with audited market values at a steep discount in exchange for MDLY's management contract contribution at an enormous premium (a questionable intangible asset that NexPoint believes is likely to drop precipitously in value post-MCC/Sierra Merger).

On January 24, 2019, NexPoint privately submitted an alternative transaction proposal (the "January 24 NexPoint Proposal") to the Special Committee of the Board of Directors of MCC (the "MCC Special Committee"). No one from MCC (including the Special Committee) responded to or even acknowledged receipt of the January 24 NexPoint Proposal. Despite the MCC Special Committee's failure to acknowledge the January 24 NexPoint Proposal, NexPoint privately submitted an updated proposal to the MCC Special Committee, as well as the Special Committee of the Sierra Board ("Sierra Special Committee") on January 31, 2019 (the "January 31 NexPoint Proposal"). In the January 31 NexPoint Proposal, NexPoint expressed its willingness to be the external manager of the combined company in the MCC/Sierra Merger. NexPoint went public with the January 31 NexPoint Proposal on February 1, 2019.

On February 11, 2019, a stockholder class action lawsuit was commenced in the Delaware Chancery Court by FrontFour Capital Group LLC and FrontFour Master Fund, Ltd. (*FrontFour Capital Group LLC, et al. v. Brook Taube, et al.*, Case No. 2019-0100) (the "Delaware Action"), against defendants Brook Taube, Seth Taube, the other members of the Board of Directors of MCC, MDLY and others alleging (among other things) that members of the Board of Directors breached their fiduciary duties in connection with the approval of the Medley Mergers as well as their fiduciary duty of disclosure. On March 11, 2019, the Delaware Chancery Court issued a Memorandum Opinion ("Opinion"), holding (among other things) that MCC's directors violated their fiduciary duties in entering into the Medley Mergers and requiring MCC to issue corrective disclosures in accordance with the Opinion and to permit the stockholders sufficient time in advance of any stockholder vote to digest the information.

¹ NexPoint determined this value based on the following: (i) aggregate cash per share from Sierra to MDLY of \$4.09 to unaffiliated MDLY stockholders and \$3.79 to affiliated MDLY stockholders, as disclosed in the Company's Proxy Statement filed December 21, 2018; MDLY Class A shares outstanding of 5,693,814, as disclosed in MDLY's Form 10-Q filed November 14, 2018; plus an additional 24,839,302 MDLY shares to be issued immediately preceding the MDLY/Sierra Merger, resulting in total MDLY shares of 30,533,116 eligible to receive the \$4.09 per share cash to unaffiliated MDLY stockholders and \$3.79 to affiliated MDLY stockholders from Sierra and total cash to MDLY stockholders of \$117,428,654. The number of additional MDLY shares to be issued in connection with the MDLY/Sierra Merger is found on page 237 of the Company's Proxy Statement filed December 21, 2018.

In its Opinion, we believe the Delaware Chancery Court provided a perfect summary of the actions (and inactions) of this Board, which includes Mr. Seth Taube and Mr. Arthur S. Ainsberg, the two MCC directors up for re-election at the Annual Meeting:

[T]he Taube brothers [dominated] the process by: setting the deal structure; controlling the flow of information; withholding information; withholding details about [MDLY]’s own value and the existence of offers from third-parties; and locking out “interlopers” through standstill agreements, deal protections, and an aggressive timeline; rushing the committee’s deliberations. **In the end, the Special Committee allowed [MDLY] to extract a huge premium while Medley Capital stockholders received none.**

The Special Committee deferred to the Taube brothers although the committee had ample negotiating leverage—the ability to terminate the Management Agreement or simply reject the deal, **either of which would have had devastating consequences for [MDLY]**. Terminating the Management Agreement would trigger Fortress’s rights under the joint venture. Rejecting the deal would foreclose [MDLY]’s only viable solution to the enormous financial pressure they labored under.

...

[T]he timing, structure, initiation, and negotiation of **the Proposed Transactions were conceived for the purpose of—and did—advance the Taubes’ interest at the expense of Medley Capital’s other stockholders**. In the events leading up to the Proposed Transactions, the Taube brothers created an informational vacuum, which they then exploited. The Special Committee was not truly independent and did not negotiate at arm’s length.

FrontFour Capital Grp. LLC, et al. v. Taube, et al., C.A. No. 2019-0100-KSJM, at 63-64, 66 (Del. Ch. Mar. 11, 2019) (emphasis added).

In summary, we believe the Medley Mergers were designed to, and indeed would, enrich MDLY (particularly its co-CEOs, Messrs. Brook and Seth Taube), at the expense of MCC stockholders.

What are NexPoint’s competing proposals?

NexPoint has made two separate proposals to the MCC Special Committee: (i) to become the external manager of MCC (the “MCC Stand Alone Proposal”) and (ii) in the event the Board prefers to merge MCC and Sierra, to become the external manager of the combined MCC and Sierra (the “Combined MCC and Sierra Proposal” and together with the MCC Stand Alone Proposal, the “NexPoint Proposals”).

The MCC Stand Alone Proposal (described in more detail below) provides nearly \$68.5 million of consideration that inures directly to the benefit of MCC’s stockholders, including \$10 million of immediate cash, \$30 million in share purchases and over \$28.5 million of aggregate fee and expense savings over the next five years. In addition, the MCC Stand Alone Proposal eliminates the inappropriate valuation disparity present in the MCC/Sierra Merger.

The Combined MCC and Sierra Proposal (also described in more detail below) provides nearly \$130 million of consideration that inures directly to the benefit of MCC’s stockholders, including \$25 million of immediate cash, \$50 million in share purchases and over \$55 million of aggregate fee and expense savings over the next five years.

Finally, both the MCC Stand Alone Proposal and the Combined MCC and Sierra Proposal also ensure that more than \$100 million of cash is properly retained by MCC and Sierra as opposed to being paid as merger consideration to MDLY’s stockholders.

What are the terms of the MCC Stand Alone Proposal?

The MCC Stand Alone Proposal consists of the following terms, all of which NexPoint remains willing to negotiate with the Board:

1. An External Investment Advisory Agreement between MCC and NexPoint:

- Reduced annualized management fee of 1.25% on the gross assets of the Company.
- Reduced incentive fee of 15% on income and capital gains (with retention of the current hurdle rate of 2.1875%).
- Implementation of an expense cap of 0.50%, meaning that NexPoint will pay, absorb or reimburse the ordinary operating expenses of the Company (the “Ordinary Operating Expenses”), to the extent necessary so that, for any fiscal year, the Company’s Ordinary Operating Expenses do not exceed 0.50% per annum of the Company’s average daily gross assets.
- We expect these terms to result in an aggregate annual savings to the Company’s stockholders of approximately \$5.7 million, or \$28.5 million over the next five years (based on assets as of September 30, 2018), over the Company’s current fee arrangement and expense reimbursement.
- Replaces underperforming management with NexPoint management, whose qualifications are described below.
- Ensures that Company cash is not paid to MDLY in the Medley Mergers.

These savings would inure directly to the benefit of the Company’s stockholders, and we believe will help eliminate some of the discount in the Company’s shares (we believe a large part of the remaining discount results simply from MDLY being the Company’s manager, which the MCC Stand Alone Proposal also addresses).

Finally, we believe that remaining an externally managed Business Development Company (“BDC”) mitigates potential conflicts of interest in a manner that benefits stockholders and is responsive to the concerns voiced by the Delaware Chancery Court and many large stockholders.

2. A \$10 million payment from NexPoint to the Company.

Upon execution of the investment advisory agreement with NexPoint, we will make a one-time payment of \$10 million to MCC. The \$10 million injection would inure directly to the benefit of MCC’s stockholders and would represent the equivalent of a 5.7% increase of \$0.18 on a per share market value of \$3.22 (based on assets as of September 30, 2018).

3. NexPoint will purchase at least \$30 million of MCC shares

Upon execution of the investment advisory agreement with NexPoint, NexPoint and its affiliates will purchase at least \$30 million of MCC shares; one-third of which would be made during the 60 days following the transaction, an additional one-third of which would be made during the following 90 days, and the final one-third of which would be made during the following 90 days, in each case either in open market purchases at the then current market price, if below net asset value (“NAV”), or directly from the Company at NAV. We believe these purchases will further align our interests with stockholders, and will provide liquidity to support trading prices of the Common Stock.

What are the terms of the Combined MCC and Sierra Proposal?

The Combined MCC and Sierra Proposal consists of the following terms, all of which NexPoint remains willing to negotiate with the Board:

1. An External Investment Advisory Agreement between a combined MCC and Sierra, on the one hand, and NexPoint on the other:

- Reduced annualized management fee of 1.25% on the gross assets of the combined MCC and Sierra.
- Reduced incentive fee of 15% on income and capital gains (with retention of the current hurdle rate of 2.1875%).
- Implementation of an expense cap of 0.50%, meaning that NexPoint will pay, absorb or reimburse the Ordinary Operating Expenses of the combined MCC and Sierra to the same extent as under the MCC Stand Alone Proposal.
- We expect these terms to result in an aggregate annual savings to the combined MCC and Sierra stockholders of approximately \$11 million, or \$55 million over the next five years (based on assets as of September 30, 2018), over the combined MCC and Sierra current fee arrangement and expense reimbursement.
- Replaces underperforming management with NexPoint management, whose qualifications are described below.
- Ensures that more than \$100 million of cash is properly retained by the combined MCC and Sierra as opposed to being paid as merger consideration to MDLY's stockholders.

These savings would inure directly to the benefit of the combined MCC and Sierra's stockholders, and we believe will help eliminate some of the discount in the combined MCC and Sierra's shares.

Finally, we believe that remaining an externally managed BDC mitigates potential conflicts of interest in a manner that benefits stockholders and is responsive to the concerns voiced by the Delaware Chancery Court and many large stockholders.

2. A \$25 million payment from NexPoint to the combined MCC and Sierra

Upon execution of the investment advisory agreement with NexPoint, we will make a one-time payment of \$25 million to the combined MCC and Sierra. The \$25 million injection would inure directly to the benefit of the combined MCC and Sierra stockholders and would represent the equivalent of a 14.3% increase of \$0.46 on MCC's per share market value of \$3.22 (based on assets as of September 30, 2018) and 3.6% increase of \$0.26 on Sierra's per share value of \$7.05.

3. NexPoint will purchase at least \$50 million of the combined MCC and Sierra shares

Upon execution of the investment advisory agreement with NexPoint, NexPoint and its affiliates will purchase at least \$50 million of the combined MCC and Sierra's shares; one-third of which would be made during the 60 days following the transaction, an additional one-third of which would be made during the following 90 days, and the final one-third of which would be made during the following 90 days, in each case either in open market purchases at the then current market price, if below NAV, or directly from the company at NAV. We believe these purchases will further align our interests with stockholders, and will provide liquidity to support trading prices of the combined MCC and Sierra's common stock.

These purchases would be made in addition to the share repurchase program proposed to be conducted by the combined MCC and Sierra.

Can you tell me more about NexPoint and its qualifications?

Our team not only has decades of experience in managing credit investments and originations, but we believe it also has unrivaled expertise in maximizing value in stressed and distressed investments and is therefore well positioned to maximize the value of the Company's portfolio. In addition, as one of the country's largest and most experienced credit managers, we believe we are well positioned to successfully manage MCC's portfolio of secured floating rate instruments.

NexPoint-advised funds include:

- NexPoint Strategic Opportunities Fund's ("NHF"), which has returned a cumulative 151.8% from September 2012 through March 31, 2019, while MCC is down over 51.8% during the same time period.
- NexPoint Residential Trust, Inc. ("NXRT"), which spun out from NHF in 2015, has returned 226.1% since the spin-off.
- NexPoint Capital, Inc., the NexPoint-advised non-traded BDC, has returned 33.1% since inception (September 2014).

Will NexPoint's Nominees vote in favor of the NexPoint Proposals?

NexPoint's Nominees have been selected because we believe they will act in the best interests of all stockholders. While we were pleased that the Board appointed David A. Lorber and Lowell W. Robinson on April 15, 2019 to fill the vacancies resulting from the resignations of Mark Lerdal and John E. Mack, we believe two additional independent directors are necessary to protect your interests and your investment in the Company. There is no agreement or understanding pursuant to which NexPoint's Nominees have agreed to vote in favor of the NexPoint Proposals. While we believe our proposals are in the best interest of stockholders, our Nominees, together with the rest of the Board, will evaluate the terms of any investment advisory contract in accordance with the requirements of the Investment Company Act of 1940, as amended (the "1940 Act") and their fiduciary duties. Any such appointment will be subject to Board approval.

In order for the Company to appoint NexPoint as its investment adviser, ultimately both the Board and the Company's stockholders would be required to approve an investment advisory agreement between the Company and NexPoint in accordance with the requirements of the 1940 Act. After conducting appropriate due diligence, the Board could appoint NexPoint as an investment adviser on a temporary basis (for up to 150 days) pending stockholder approval and terminate the investment advisory agreement with MCC Advisors LLC. To obtain stockholder approval of the appointment of NexPoint as an investment adviser for the Company, the Board would first be required to approve an investment advisory agreement with NexPoint and then to recommend it for approval by stockholders. The Board would then call a special meeting of stockholders to vote on the investment advisory agreement. If stockholders approved the investment advisory agreement with NexPoint at that meeting, NexPoint would then be appointed as the Company's investment adviser on a non-temporary basis. Stockholders are not being asked at the Annual Meeting to approve an investment advisory agreement with NexPoint.

If elected, NexPoint believes its director nominees will promptly work to maximize value for stockholders. However, there can be no assurances that NexPoint's director nominees will appoint NexPoint as the Company's investment adviser and any such appointment will be subject to Board approval and, ultimately, approval by the Company's stockholders.

Even if the NexPoint Group's Nominees are elected to the Board, they are not required to approve an investment advisory agreement with NexPoint. Any approval by the Board of an investment advisory agreement with NexPoint as discussed above is subject to the directors' duties as directors. For example, under Section 15(c) of the 1940 Act, it is the duty of the Company's directors to request and evaluate such information as may reasonably be necessary to evaluate the terms of any investment advisory contract.

What is NexPoint asking me to do?

For the reasons set forth above, the NexPoint Group believes the Company's stockholders should vote in favor of the NexPoint Group's nominees to hold the Board and Company management accountable for its conduct. The NexPoint Group believes, based on the significant experience of the director nominees in the financial services industry, including Mr. Goglia's significant legal experience advising boards of directors and Mr. Mongillo's significant public company board experience, that its nominees are committed to upholding their fiduciary duties to the stockholders of the Company and maximizing stockholder value.

As a result, to protect your interest and maximize the value of your investment in the Company, the NexPoint Group urges you to reject the MCC Board's director nominees, Mr. Seth Taube and Mr. Arthur S. Ainsberg, as we believe they have historically demonstrated their inability to do what's in the best interest of stockholders, by voting FOR the NexPoint Group's competing slate of director nominees.

PROPOSAL 1

ELECTION OF DIRECTORS

Select Fund, a member of the NexPoint Group, has nominated a slate of two nominees for directors because the NexPoint Group believes that the current Board, aside from the recently appointed directors, has failed to act in your best interests for the reasons described above.

Select Fund, a member of the NexPoint Group, has nominated Stephen A. Mongillo and Mark T. Goglia (each, a “Nominee” and collectively, the “Nominees”) for election to the Board at the Annual Meeting. The Nominees must be elected by the affirmative vote of a plurality of the votes cast by holders of Common Stock as of the Record Date present or represented by proxy at the Annual Meeting.

For the reasons stated above, the NexPoint Group is seeking your support at the Annual Meeting to elect the Nominees in opposition to the director nominees nominated by the Board. The NexPoint Group believes that the current Board’s actions demonstrate that it lacks the proper composition to act in your best interests. While we were pleased that the Board appointed David A. Lorber and Lowell W. Robinson on April 15, 2019 to the fill the vacancies resulting from the resignations of Mark Lerdal and John E. Mack, we believe two additional independent directors are necessary to protect your interests and your investment in the Company. Based on the Nominees’ significant experience in the financial services industry, including Mr. Goglia’s significant legal experience advising boards of directors and Mr. Mongillo’s significant public company board experience, the NexPoint Group believes that the Nominees are committed to maximizing stockholder value. NexPoint’s Nominees have been selected because we believe they will act in the best interests of all stockholders. There is no agreement or understanding pursuant to which they have agreed to vote in favor of the NexPoint Proposals. While we believe our proposals are in the best interest of stockholders, our Nominees, together with the rest of the Board, will evaluate the terms of any investment advisory contract in accordance with the requirements of the 1940 Act, and any such appointment will be subject to Board approval and, ultimately, approval by the Company’s stockholders. For a discussion of the steps that would be required to implement the NexPoint Proposals, please see “Will NexPoint’s Nominees vote in favor of the NexPoint Proposals?” on page 9 of this Proxy Statement. Even if the Nominees are elected to the Board, they are not required to approve an investment advisory agreement with NexPoint.

THE NEXPOINT GROUP’S NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the NexPoint Group’s Nominees. Directors that are interested persons are typically affiliated with, or have certain other significant relationships with, a fund’s investment adviser or principal underwriter. ADDITIONAL INFORMATION ABOUT THE NOMINEES

As of the date hereof, no Nominee (i) has any position with the Company, (ii) oversees any portfolios in the Company's Fund Complex (as defined in the Exchange Act), or (iii) is the beneficial owner of any Shares of the Company or any registered investment companies to be overseen by the Nominee within the same Family of Investment Companies (as defined in the Exchange Act) as the Company. Further, as of the date hereof, none of the Nominees nor any Immediate Family Member (as defined in Item 22(a)(1)(vii) of Schedule 14A) of any Nominee owns beneficially or of record any equity securities in the Company or in any MCC-Related Company (as defined below) or any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter or Sponsoring Insurance Company of MCC. "MCC-Related Companies" means the Company, Sierra Income Corporation, MDLY, Sierra Total Return Fund, SIC Advisors LLC, STRF Advisors, MCC Advisors LLC, Medley LLC, Medley Group LLC, Sierra Management, Inc., Medley Capital LLC and Medley SBIC, LP. The NexPoint Group believes that, based on the Company's public disclosure, there are no entities, other than the MCC-Related Companies, that qualify as investment adviser, principal underwriter or Sponsoring Insurance Company (as defined in Item 22(a) of Schedule 14A). If this belief is incorrect, upon notice from the Company, the NexPoint Group will correct its disclosure in this Proxy Statement. We also note that the Company's most recent Form 10-K (filed December 4, 2018) stated that the Company "is not part of a 'family of investment companies,' as that term is defined in the 1940 Act." No Nominee is an "interested person" of the Company, as defined in the 1940 Act.

None of the Nominees, their Immediate Family Members, their affiliates or any other related persons, has, during the past five years, held any position, including as an officer, employee, director or general partner, with (i) the Company, (ii) any investment company, or any person that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act having the same investment adviser or principal underwriter or Sponsoring Insurance Company (as defined in the Exchange Act) or controlled by or

under the control with such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Company, (iii) the Company's investment adviser, principal underwriter or Sponsoring Insurance Company or (iv) any person, directly or indirectly controlling, controlled by, or under common control with the Company's investment adviser, principal underwriter, or Sponsoring Insurance Company.

None of the Nominees or their Immediate Family Members has had any direct or indirect interest, the value of which exceeds \$120,000, during the past five years in an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Company or a person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Company.

Other than as disclosed in this Proxy Statement, neither the Nominees nor any Immediate Family Member (as defined in Item 22(a)(1)(vii) of Schedule 14A) of the Nominees has had during the past five years, any direct or indirect interest, the value of which exceeds \$120,000, in (i) any Medley-Related Company, or (ii) a person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with any Medley-Related Company.

Since the beginning of the Company's last two completed fiscal years, no officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Company, or of a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Company, serves, or has served, on the board of directors of a company of which a Nominee or an Immediate Family Member of a Nominee is an officer.

Since the beginning of the Company's last two completed fiscal years, no Nominee or any of his associates or Immediate Family Members of a Nominee (as defined in Item 22(a)(1)(vii) of Schedule 14A) was a party to any transaction, or series of similar transactions or is a party to any currently proposed transaction, or series of similar transactions, in which the amount involved exceeded or is to exceed \$120,000, to which (i) the Company, (ii) any of its officers, (iii) any investment company, or officer thereof, or any person that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act, having the same investment adviser or principal underwriter or Sponsoring Insurance Company as the Company or having an investment adviser, principal underwriter or Sponsoring Insurance Company that directly or indirectly controls, is controlled by, or is under common control with an investment adviser, principal underwriter or Sponsoring Insurance Company of the Company, (iv) the Company's investment adviser, principal underwriter, or Sponsoring Insurance Company, or an officer thereof, (v) any person, or officer thereof, directly or indirectly controlling, controlled by, or under common control with the Company's investment adviser, principal underwriter, or Sponsoring Insurance Company, or an officer thereof, was or is to be a party.

No Nominee owns any securities beneficially or of record in: (i) an investment adviser, principal underwriter, or Sponsoring Insurance Company (as defined in the Exchange Act) of the Company or (ii) a person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Company. Furthermore, no Nominee has any direct or indirect relationship, as described in Item 22(b)(9) of Schedule 14A.

There exist no family relationships between the Nominees and any director or executive officer of MCC (or person nominated or chosen by MCC to become a director or executive officer).

The NexPoint Group believes that each Nominee will be considered an independent director of MCC within the meaning of Item 407(a) of Regulation S-K and as defined by the New York Stock Exchange ("NYSE") Rules. Other than as disclosed in this Proxy Statement, no Nominee has a material relationship with MCC (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). Additionally, no circumstance or relationship exists involving any Nominee and MCC or its subsidiaries which would disqualify any Nominee's independence in accordance with the NYSE Rules.

None of the Nominees has, nor have any of their associates, earned, been awarded or been paid any plan or non-plan compensation for services rendered to MCC or its subsidiaries that is required to be disclosed under Item 402 of Regulation S-K or is subject to any arrangement described in Item 402 of Regulation S-K.

None of the Nominees is an “interested person” of the Company within the meaning of Section 2(a)(19) of the 1940 Act.

There is no agreement or understanding pursuant to which the Nominees have agreed to vote in favor of the NexPoint Proposals. Our Nominees, if elected, together with the rest of the Board, will evaluate the terms of any investment advisory contract in accordance with the requirements of the 1940 Act, and any such appointment will be subject to Board approval and, ultimately, approval by the Company’s stockholders. There can be no assurance that the election of the NexPoint Group’s Nominees will improve the Company’s business or otherwise enhance stockholder value or will result in the approval of an investment advisory agreement with NexPoint.

Other than as disclosed in this Proxy Statement, none of the Nominees or their associates nor any related person of the Nominees or their associates (as “related person” is defined in Instruction 1 of Item 404(a) of Regulation S-K), has had or will have a direct or indirect material interest in any transaction, or series of similar transactions, in which the amount involved exceeds \$120,000, since the beginning of MCC’s last fiscal year or any currently proposed transaction to which MCC or any of its subsidiaries was or is to be a participant.

Other than as stated herein, the Nominees will not receive any compensation from the NexPoint Group for their services as directors of the Company. For completeness, we note that NexPoint and each Nominee are party to indemnification agreements, dated March 25, 2019 (the “Indemnification Agreements”), pursuant to which NexPoint, subject to the terms and conditions of such agreement, has agreed to pay a nomination fee of \$50,000 to each Nominee for serving as a nominee for election to the Board (the “Nomination Fee”).

Other than as stated herein, there are no arrangements or understandings between the NexPoint Group and any of the Nominees or any other person or persons pursuant to which the nomination described herein is to be made. Pursuant to the Indemnification Agreements (which include the payment of the Nomination Fee), NexPoint, subject to the terms and conditions of such agreement, has agreed to indemnify each Nominee against any and all claims arising out of or based upon each Nominee being a Nominee. Each Nominee has also granted Thomas Surgent a power of attorney, dated March 2019 in connection with the solicitation of proxies from the Company’s stockholders in connection with the 2019 Annual Meeting. Each Nominee has also consented to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. None of the Nominees is a party adverse to the Company or any of its affiliated persons or has a material interest adverse to the Company or any of its affiliated persons in any material pending legal proceedings.

The information provided above has been furnished to the NexPoint Group by the Nominees.

The NexPoint Group does not expect that the Nominees will be unable to stand for election, but, in the event that such persons are unable to serve or for good cause will not serve, the Shares represented by the enclosed BLUE proxy card will be voted for substitute nominees. In addition, the NexPoint Group reserves the right to nominate substitute persons if the Company makes or announces any changes to its bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominees. The NexPoint Group also reserves the right to nominate additional persons if the Company increases the size of the Board above its existing size, increases the number of directors to be elected at the Annual Meeting or calls a meeting to fill any vacancies on the Board. In any of the foregoing cases, Shares represented by the enclosed BLUE proxy card will be voted for such substitute nominees. Additional nominations made pursuant to the preceding sentences are without prejudice to the position of the NexPoint Group that any attempt to increase the size of the current Board or to reconstitute or reconfigure the current Board constitutes an unlawful manipulation of the Company’s corporate machinery. If the Nominees or any substitute nominees nominated by the NexPoint Group are not put up for election to the Board at the Annual Meeting, Shares represented by the enclosed BLUE proxy card will be voted AGAINST the director nominees nominated by the Board.

YOU ARE URGED TO VOTE FOR THE ELECTION OF THE NEXPOINT GROUP’S NOMINEES ON THE ENCLOSED BLUE PROXY CARD.

The NexPoint Group is asking you to vote FOR the election of the NexPoint Group's Nominees. The enclosed BLUE proxy card may only be voted for the NexPoint Group's Nominees and does not confer voting power with respect to the Company's nominees. Stockholders should refer to the MCC Proxy Statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. The participants in this solicitation intend to vote all of their Shares for the election of the NexPoint Group's Nominees and will not vote their Shares in favor of any of the Company's director nominees.

You may vote by Internet 24 hours a day, 7 days a week until 11:59 PM EDT the day before the Annual Meeting. Your Internet vote authorizes the named proxies to vote your Shares in the same manner as if you had executed a proxy card.

For Shares held through a broker, bank or other nominee, a MCC stockholder may vote by submitting voting instructions to the broker, bank or nominee.

QUORUM; ADJOURNMENT

A quorum must be present at the Annual Meeting for any business to be conducted. The presence, in person or by proxy, of the holders of a majority of the Shares outstanding as of the Record Date will constitute a quorum for purposes of the Annual Meeting. Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. Such adjournment will be permitted if approved by a majority of the votes cast by the holders of Shares present in person or by proxy at the Annual Meeting, whether or not a quorum exists. Abstentions will have no effect on the adjournment vote. Abstentions and "broker non-votes" shall not be counted as votes cast on such adjournment and will have no effect on the adjournment vote. In addition, the Chairman of the Annual Meeting will have the authority to adjourn the Annual Meeting from time-to-time for any reason without notice and without the vote or approval of the stockholders.

VOTES REQUIRED FOR APPROVAL

Vote required for the election of directors. According to the MCC Proxy Statement, election of a director requires the affirmative vote of a plurality of the votes cast by holders of Common Stock as of the Record Date present or represented by proxy at the Annual Meeting. This means that if there are more candidates for election than there are positions on the Board to be filled, the two candidates receiving the most votes will be elected. Stockholders may not cumulate their votes. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. Abstentions and "broker non-votes" are not considered votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. If you give no instructions on the BLUE proxy card, the Shares covered by the BLUE proxy card will be voted FOR the election of the NexPoint Group's Nominees.

Vote required for the ratification of independent registered public accounting firm. According to the MCC Proxy Statement, the affirmative vote of a majority of the votes cast by holders of Common Stock as of the Record Date present or represented by proxy at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm. Abstentions and "broker non-votes" are not considered votes cast on this proposal and will have no effect on the vote for the proposal. Because brokers may have discretionary authority to vote for the ratification of the appointment of the Company's independent registered public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the Shares, your broker may be permitted to vote your Shares for this proposal. If you give no instructions on the proxy card, the Shares covered by the proxy card will be voted FOR the ratification of appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the 2019 fiscal year.

DISSENTERS' RIGHTS

MCC stockholders do not have the right to exercise dissenters' rights with respect to any matter to be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

If you are a "stockholder of record" (i.e., you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying D.F. King or the Company's proxy solicitor, Alliance Advisors, LLC, in writing, by submitting a properly executed, later-dated proxy card or by voting through the Internet or by telephone (if available) at a later time, or by attending the Annual Meeting in person and voting your shares at the Annual Meeting (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). Please send your notification to D.F. King at 48 Wall Street, New York, NY, 10005 or Alliance Advisors, LLC, Attn: Tabulation Department, 200 Broadacres Drive, 3rd Floor, Bloomfield, New Jersey 07003. (with a copy to D.F. King). Any stockholder of record participating in the Annual Meeting may vote at such time whether or not he or she has previously voted his or her Shares. The delivery of a later-dated proxy which is properly completed will constitute a revocation of any earlier proxy. Although a revocation is effective if delivered to the Company, the NexPoint Group requests that either the original or photostatic copies of all revocations be mailed to the NexPoint Group in care of D.F. King at the above address so that the NexPoint Group will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record as of the Record Date of a majority of the outstanding Shares. Additionally, D.F. King may use this information to contact stockholders who have revoked their proxies in order to solicit later-dated proxies for the election of the Nominees and approval of other proposals described herein.

If you hold Shares through a broker, bank or other nominee, you must follow the instructions you receive from your broker, bank or other nominee in order to revoke your voting instructions.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NEXPOINT GROUP'S NOMINEES TO THE BOARD OR FOR THE RATIFICATION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, PLEASE VOTE YOUR SHARES AS DESCRIBED HEREIN.

The NexPoint Group recommends that stockholders REVOKE any proxy that voted AGAINST the NexPoint Group's Nominees at the Annual Meeting and instead submit a proxy voting FOR the NexPoint Group's Nominees. If you have already sent in a proxy, you may revoke that proxy and vote FOR the NexPoint Group's Nominees by submitting a later-dated properly executed proxy. Only your latest-dated proxy will count. Stockholders have every right to change their vote.
