Forward-looking statements and other information

This presentation contains forward-looking statements about the Company. These forward-looking statements reflect our current views with respect to, among other things, future events and our financial performance. These statements are often, but not always, made through the use of words or phrases such as “may,” “might,” “should,” “could,” “predict,” “potential,” “believe,” “will likely result,” “expect,” “continue,” “will,” “anticipate,” “seek,” “estimate,” “intend,” “plan,” “project,” “projection,” “forecast,” “goal,” “target,” “would,” “aim” and “outlook,” or the negative version of those words or other comparable words or phrases of a future or forward-looking nature. These forward-looking statements are not historical facts, and are based on current expectations, estimates and projections about our industry and management’s beliefs and certain assumptions made by management, many of which, by their nature, are inherently uncertain and beyond our control. The inclusion of these forward-looking statements should not be regarded as a representation by us, the underwriters for any offering of our securities or any other person that such expectations, estimates and projections will be achieved. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions and uncertainties that are difficult to predict. Although we believe that the expectations reflected in these forward-looking statements are reasonable as of the date made, actual results may prove to be materially different from the results expressed or implied by the forward-looking statements.

All information contained herein speaks only as of the date of this presentation, except where information is stated to be presented as of a specific date and unless otherwise noted, all financial and other statistics are as of the most recent quarter, June 30, 2025. The information presented or contained in this presentation is subject to change without notice. The Company undertakes no duty to update or revise the information contained herein, publicly or otherwise, including any forward-looking statements, except as required by law. Neither the delivery of this presentation nor any further discussions of the Company, any of its affiliates, shareholders, directors, employees, agents, advisors, representatives or the underwriters with any of the recipients shall, under any circumstances, create any implication that there has been no change in the affairs of the Company since that date.

There can be no assurance that PhenixFIN will achieve its investment objective. Past performance does not guarantee future results. Our share value and the value of our other securities may fluctuate. Investors should consider the investment objectives, risks and expenses of PhenixFIN carefully before investing. The latest form 10-K and subsequent quarterly reports filed on Form 10-Q contain more detailed information about PhenixFIN. There is no guarantee that any of the estimates, targets or projections illustrated in these materials and any presentation of which they may form a part will be achieved. There can also be no assurance that our strategies employed will be successful. Also, there can be no assurance that we will be able to utilize any or all of our tax assets. Any references herein to any of PhenixFIN’s past or present investments or its past or present performance have been provided for illustrative purposes only. It should not be assumed that these investments were or will be profitable or that any future investments by PhenixFIN will be profitable or will equal the performance of these investments. Our portfolio composition and allocations to investment types and asset classes may change anytime. The information contained herein has been derived from financial statements and other documents provided by portfolio companies unless otherwise stated.

PhenixFIN is subject to certain significant risks relating to our business and our investment objective, including, for example, the potential volatility of our common stock price, the illiquidity of our investments in portfolio companies, the significant concentration of our assets in our asset-based lending, insurance and certain other controlled businesses and significant credit risk associated with our debt/loan investments in portfolio companies such that these portfolio companies may not pay interest and/or principal and the entire investment may be lost. For a detailed description of the risk factors impacting the Company, please read the “Risk Factors” sections of our recent SEC filings. This presentation should be read in conjunction with the Company’s recent SEC filings.
