**PROXY STATEMENT
2017 Annual Meeting of Stockholders
To Be Held on February 14, 2017**

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Medley Capital Corporation (the "Company," "Medley Capital," "we," "us," or "our") for use at the Company's 2017 Annual Meeting of Stockholders (the "Meeting") to be held on Tuesday, February 14, 2017, at 10:00 a.m., Eastern Time. You can virtually attend the Meeting online, vote your shares electronically and submit questions during the Meeting, by visiting www.virtualshareholdermeeting.com/MCC2017, and at any postponements or adjournments thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2016, are first being sent to stockholders on or about December 27, 2016.

We encourage you to vote your shares, either by voting via the Internet while virtually attending the Meeting, by telephone, or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card, or by telephone or through the Internet, and the Company receives your vote in time for voting at the Meeting, the persons named as proxies will vote your shares in the manner that you specify. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the ratification of appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2017.**

If you are a "stockholder of record" (i.e., you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the proxy tabulator, Broadridge Financial Solutions, Inc. ("Broadridge"), in writing, by submitting a properly executed, later-dated proxy, or by virtually attending the Meeting online and voting your shares during the Meeting. Please send your notification to Medley Capital Corporation, c/o Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717. Any stockholder of record participating in the Meeting may vote at such time whether or not he or she has previously voted his or her shares.

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Meeting. If you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee will not be permitted to vote your shares on any proposal considered at the Meeting.

Stockholders of record may also vote via the Internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the Internet or by telephone are shown on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect three directors of the Company, each to serve for a term of three years, or until his or her successor is duly elected and qualified;
2. To ratify the appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2017; and
3. To transact such other business as may properly come before the Meeting.

Record Date and Voting Securities

The record date for the Meeting is the close of business on December 20, 2016, (the "Record Date"). You may cast one vote for each share of common stock that you owned as of the Record Date. There were 54,474,211 shares of the Company's common stock outstanding on the Record Date.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, online or by proxy, of the holders entitled to cast a majority of the shares of common stock of the Company entitled to be cast on the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote the shares on certain proposals (which are considered "Broker Non-Votes" with respect to such proposals) will be treated as shares present for quorum purposes. However, abstentions and Broker Non-Votes are not counted as votes cast.

If a quorum is not present at the Meeting, the stockholders who are represented may adjourn the Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless the proxies are marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. The election of a director requires the affirmative vote of a plurality of the votes cast at the Meeting or by proxy. Stockholders may not cumulate their votes. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors.** Abstentions and Broker Non-Votes are not counted as votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting or by proxy is required to ratify the appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the appointment of the Company's independent registered public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, your broker will be permitted to vote your shares for this proposal. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the ratification of appointment of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the 2017 fiscal year.**

Additional Solicitation. If there are not enough votes to approve any proposals at the Meeting, the stockholders who are represented may adjourn the Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless the proxies are marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Also, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal(s).

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. If brokers, trustees, or fiduciaries and other institutions or nominees holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and/or by telephone or facsimile transmission by directors, officers or employees of the Company and/or officers or employees of MCC Advisors, LLC (“MCC Advisors”), the Company’s registered investment adviser and administrator. MCC Advisors is located at 280 Park Avenue, 6th Floor East, New York, New York 10017. No additional compensation will be paid to directors, officers or regular employees of the Company or MCC Advisors for such services.

Stockholders may also provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number which is located on each proxy card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or submitting instructions via the Internet. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company’s proxy tabulator.

Pursuant to our charter and bylaws, the board of directors is divided into three classes, designated Class I, Class II, and Class III. At the Meeting, Class III directors shall be elected for a three-year term. Directors are elected for a staggered term of three years each, with a term of office of one of the three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected or until his or her successor is duly elected and qualified.

Required Vote

The election of a director requires the affirmative vote of a plurality of the votes cast at the Meeting or by proxy. A stockholder can vote for or withhold his or her vote from each nominee. If a stockholder withholds his or her vote for a nominee, such shares will not be voted with respect to the nominee indicated. Director Independence

In accordance with rules of the New York Stock Exchange ("NYSE"), our board of directors annually determines each director's independence. We do not consider a director independent unless the board of directors has determined that he or she has no material relationship with us. We monitor the relationships of our directors and officers through the activities of our Nominating and Corporate Governance Committee and through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

Our governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the board of directors and the Chairman of the Nominating and Corporate Governance Committee of any change in circumstance that may cause his or her status as an independent director to change. The board of directors limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to independent directors.

In order to evaluate the materiality of any such relationship, the board uses the definition of director independence set forth in the NYSE Listed Company Manual. Section 303A.00 of the NYSE Listed Company Manual provides that business development companies, or BDCs, such as the Company, are required to comply with all of the provisions of Section 303A applicable to domestic issuers other than Sections 303A.02, the section that defines director independence. Section 303A.00 provides that a director of a BDC shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in

Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The board of directors has determined that each of the directors and director nominees is independent and has no material relationship with the Company, except as a director and stockholder of the Company, with the exception of Brook Taube, Seth Taube and Jeff Tonkel. Messrs. Brook Taube, Seth Taube and Jeff Tonkel are interested persons of the Company due to their positions as members of management of MCC Advisors.

Board Leadership Structure

Our board of directors monitors and performs an oversight role with respect to the business and affairs of the Company, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to the Company. Among other things, our board of directors approves the appointment of our investment adviser and officers, reviews and monitors the services and activities performed by our investment adviser and executive officers and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Under the Company’s bylaws, our board of directors may designate a Chairman to preside over the meetings of the board of directors and meetings of the stockholders and to perform such other duties as may be assigned to him or her by the board of directors. We do not have a fixed policy as to whether the Chairman of the board of directors should be an independent director and believe that we should maintain the flexibility to select the Chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of the Company and its stockholders at such times.

Presently, Mr. Brook Taube serves as the Chairman of our board of directors. Mr. Brook Taube is an “interested person” of the Company as defined in Section 2(a)(19) of the 1940 Act because he is Chief Executive Officer and President of the Company, serves on the Investment Committee and is the Managing Member of MCC Advisors. We believe that Mr. Taube’s history with the Company, familiarity with its investment platform, and extensive knowledge of the financial services industry qualify him to serve as the Chairman of our board of directors. We believe that the Company is best served through this existing leadership structure, as Mr. Taube’s relationship with MCC Advisors provides an effective bridge and encourages an open dialogue between management and the board of directors, ensuring that both groups act with a common purpose.

The currently designated lead independent director of our board of directors is Arthur Ainsberg. We are aware of the potential conflicts that may arise when a non-independent director is Chairman of the board of directors, but believe these potential conflicts are offset by our strong corporate governance policies. Our corporate governance policies include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of the Audit Committee and the Nominating and Corporate Governance Committee comprised solely of independent directors and the appointment of a Chief Compliance Officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering our compliance policies and procedures.

We recognize that different board leadership structures are appropriate for companies in different situations. We re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet the Company’s needs.

Board of Directors Role In Risk Oversight

Our board of directors performs its risk oversight function primarily through (a) its three standing committees, which report to the entire board of directors and are comprised solely of independent directors, and (b) active monitoring of our Chief Compliance Officer and our compliance policies and procedures.

As described below in more detail under “Committees of the Board of Directors,” the Audit Committee and the Nominating and Corporate Governance Committee assist the board of directors in fulfilling its risk oversight responsibilities. The Audit Committee’s risk oversight responsibilities include overseeing the Company’s accounting and financial reporting processes, the Company’s systems of internal controls regarding

finance and accounting and audits of the Company's financial statements. The Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by our stockholders, developing and recommending to the board of directors a set of corporate governance principles and overseeing the evaluation of the board of directors and our management.

Our board of directors also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. Every quarter, the board of directors reviews a written report from the Chief Compliance Officer discussing the adequacy and effectiveness of the compliance policies and procedures of the Company and its service providers. The Chief Compliance Officer's quarterly report addresses the following: (a) the operation of the compliance policies and procedures of the Company and its service providers since the last report; (b) any material changes to such policies and procedures since the last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's quarterly review; and (d) any compliance matter that has occurred since the date of the last report about which the board of directors would reasonably need to know to oversee our compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the independent directors at least once each year.

We believe that our board of director's role in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, our ability to incur indebtedness is limited such that our asset coverage must equal at least 200% immediately after each time we incur indebtedness, we generally have to invest at least 70% of our total assets in "qualifying assets" and we are not generally permitted to invest in any portfolio company in which one of our affiliates currently has an investment.

We recognize that different board roles in risk oversight are appropriate for companies in different situations. We re-examine the manners in which the board of directors administers its oversight function on an ongoing basis to ensure that it continues to meet the Company's needs.

Committees of the Board of Directors

An Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee have been established by our board of directors. During the fiscal year of 2016, our board of directors held six board meetings, five Audit Committee meetings, one Nominating and Corporate Governance Committee meeting and one Compensation Committee meeting. All directors attended at least 75% of the aggregate number of meetings of the board of directors and of the respective committees on which they serve. We require each director to make a diligent effort to attend all board and committee meetings as well as each annual meeting of our stockholders.

Audit Committee. The Audit Committee operates pursuant to a charter approved by our board of directors, a copy of which is available on our website at <http://www.medleycapitalcorp.com>. The charter sets forth the responsibilities of the Audit Committee. The Audit Committee's responsibilities include selecting the independent registered public accounting firm for the Company, reviewing with such independent registered public accounting firm the planning, scope and results of its audit of the Company's financial statements, pre-approving the fees for services performed, reviewing with the independent registered public accounting firm the adequacy of internal control systems, reviewing the Company's annual financial statements and periodic filings and receiving the Company's audit reports and financial statements. The Audit Committee also establishes guidelines and makes recommendations to our board of directors regarding the valuation of our investments. The Audit Committee is responsible for aiding our board of directors in determining the fair value of debt and equity securities that are not publicly traded or for which current market values are not readily available. The board of directors and the Audit Committee utilize the services of nationally recognized third-party valuation firms to help determine the fair value of these securities. The Audit Committee is currently composed of Messrs. John E. Mack, Arthur S. Ainsberg, Robert Lyons and Ms. Karin Hirtler-Garvey. All of them are considered independent under the rules of the NYSE corporate governance listing standards and are not "interested persons" of the Company as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Mack serves as Chairman of the Audit Committee. Our board of directors has determined that Mr. Mack is an "audit committee financial expert" as that term is defined under Item 407 of

Regulation S-K, as promulgated under the Exchange Act. Mr. Mack meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee operates pursuant to a charter approved by our board of directors, a copy of which is available on our website at <http://www.medleycapitalcorp.com>. The members of the Nominating and Corporate Governance Committee are Messrs. Arthur S. Ainsberg, John E. Mack and Ms. Karin Hirtler-Garvey. All members of the Nominating and Corporate Governance Committee are considered independent under the rules of the NYSE and are not “interested persons” of the Company as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Ainsberg serves as Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the board of directors or a committee thereof, developing and recommending to the board of directors a set of corporate governance principles and overseeing the evaluation of the board of directors and our management. The Nominating and Corporate Governance Committee currently does not consider nominees recommended by our stockholders.

The Nominating and Corporate Governance Committee seeks candidates who possess the background, skills and expertise to make a significant contribution to the board of directors, the Company and its stockholders. In considering possible candidates for election as a director, the Nominating and Corporate Governance Committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of the Company;
- are able to work with the other members of the board of directors and contribute to the success of the Company;
- can represent the long-term interests of the Company’s stockholders as a whole; and
- are selected such that with the other members of the board of directors represent a range of backgrounds and experience.

The Nominating and Corporate Governance Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Nominating and Corporate Governance Committee considers and discusses diversity, among other factors, with a view toward the needs of the board of directors as a whole. The Nominating and Corporate Governance Committee generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the board of directors, when identifying and recommending director nominees. The Nominating and Corporate Governance Committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Nominating and Corporate Governance Committee’s goal of creating a board of directors that best serves the needs of Medley Capital and the interest of its shareholders.

Compensation Committee. The Compensation Committee operates pursuant to a charter approved by our board of directors, a copy of which is available on our website at <http://www.medleycapitalcorp.com>. The Compensation Committee is responsible for reviewing and approving the reimbursement by the Company of the compensation of the Company’s Chief Financial Officer and his staff, and the Company’s Chief Compliance Officer and his staff. The current members of the Compensation Committee are Ms. Karin Hirtler-Garvey and Messrs. John E. Mack and Robert Lyons, none of whom is an interested person of the Company for purposes of the 1940 Act and each of whom is independent for purposes of the NYSE corporate governance listing standards.

Ms. Karin Hirtler-Garvey serves as the Chairman of the Compensation Committee. As discussed below, none of our executive officers are compensated by the Company. The Compensation Committee met one time during the 2016 fiscal year.

Compensation of Directors

The following table sets forth compensation of the Company's directors, for the year ended September 30, 2016:

Interested Directors				
Brook Taube	—	—	—	—

John E. Mack	\$ 148,369	—	—	\$ 148,369
Robert Lyons	\$ 131,435	—	—	\$ 131,435

(1) For a discussion of the independent directors' compensation, see below.

(2) We do not maintain a stock or option plan, non-equity incentive plan or pension plan for our directors. However, our independent directors have the option to receive all or a portion of the directors' fees to which they would otherwise be entitled in the form of shares of our common stock issued at a price per share equal to the greater of our then current net asset value per share or the market price at the time of payment. No shares were issued to any of our independent directors in lieu of cash during 2016.

On December 7, 2016, the board of directors approved an amendment to the compensation model pursuant to which the independent directors earn fees for their service on the Board. Prior to the amendment, as compensation for serving on our board of directors, each independent director received an annual fee of \$55,000. Independent directors also received \$7,500 (\$1,500 for telephonic attendance) plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and received \$2,500 (\$1,500 for telephonic attendance) plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each committee meeting. In addition, the Chairman of the Audit Committee received an annual fee of \$25,000 and each chairperson of any other committee received an annual fee of \$10,000, and other members of the Audit Committee and any other standing committees received an annual fee of \$12,500 and \$6,000, respectively, for their additional services in these capacities.

In addition, we purchase directors' and officers' liability insurance on behalf of our directors and officers. The compensation model approved by the board of directors on December 7, 2016, which will be retroactively

effective as of October 1, 2016, amends the prior model by increasing the annual fee received by each independent director from \$55,000 to \$90,000, but decreasing the per board meeting fee from \$7,500 to \$3,000. In addition, there will no longer be a different fee for participating in board and/or committee meetings telephonically.

Our independent directors also have the option to receive all or a portion of the directors' fees to which they would otherwise be entitled in the form of shares of our common stock issued at a price per share equal to the greater of our then current net asset value per share or the market price at the time of payment. No shares were issued to any of our independent directors in lieu of cash during 2016. In addition, no compensation was paid to directors who are "interested persons" of the Company as that term is defined in Section 2(a)(19) of the 1940 Act.

Compensation of Executive Officers

None of our officers will receive direct compensation from us. The compensation of our Chief Financial Officer and Chief Compliance Officer is paid by our administrator, subject to reimbursement by the Company of an allocable portion of such compensation for services rendered by him or her to us.

Indemnification Agreements

We have entered into indemnification agreements with our directors. The indemnification agreements are intended to provide our directors the maximum indemnification permitted under Delaware law and the 1940 Act. Each indemnification agreement provides that the Company shall indemnify the director who is a party to the agreement (an "Indemnitee"), including the advancement of legal expenses, if, by reason of his or her corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any threatened, pending, or completed proceeding, to the maximum extent permitted by Delaware law and the 1940 Act.

Certain Relationships and Transactions with Related Persons

We have entered into an Investment Management Agreement with MCC Advisors, our investment adviser. Mr. Brook Taube, our Chairman, Chief Executive Officer and President, is a Managing Partner of, and has financial and controlling interests in, MCC Advisors. In addition, Messrs. Allorto, Jr., our Chief Financial Officer, serve as Managing Partners and Chief Financial Officer, respectively, for MCC Advisors. Messrs. Seth Taube, Jeff Tonkel and Richard T. Allorto, Jr. also have financial interests in MCC Advisors.

MCC Advisors and its affiliates may also manage other funds in the future that may have investment mandates that are similar, in whole or in part, with ours. MCC Advisors also focuses on investing primarily in senior secured loans, including first lien, unitranche and second lien debt instruments. MCC Advisors and its affiliates may determine that an investment is appropriate for us and for one or more of its affiliated funds. In such event, depending on the availability of such investment and other appropriate factors, MCC Advisors or its affiliates may determine that we should co-invest with one or more other funds. Any such investments will be made only to the extent permitted by applicable law and interpretive positions of the SEC and its staff or by exemptive order, and consistent with the allocation procedures of MCC Advisors.

We have entered into a License Agreement with Medley Capital LLC, pursuant to which Medley Capital LLC has agreed to grant us a non-exclusive, royalty-free license to use the name "Medley." Audit Committee Report

The Audit Committee operates under a written charter adopted by our board of directors. The Audit Committee is currently composed of Messrs. John E. Mack, Arthur S. Ainsberg, Robert Lyons and Ms. Karin Hirtler-Garvey, each of whom is an independent director.

Management is responsible for the Company's internal control over financial reporting and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an audit of the Company's financial statements in accordance with standards of the PCAOB, and expressing an opinion on the conformity of the Company's financial statements to U.S. generally accepted accounting principles ("GAAP"). The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by Ernst & Young LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the firm's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed, and discussed with management, the Company's audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with GAAP.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee reviewed and discussed the Company's audited financial statements with management and Ernst & Young LLP, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included results of Ernst & Young LLP's audits, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee concluded that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also discussed with Ernst & Young LLP matters relating to Ernst & Young LLP's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting and as required by PCAOB Accounting Standard 16 (Communications with Audit Committees). In addition, the Audit Committee has discussed with Ernst & Young LLP its independence from management and the Company, as well as the matters in the written disclosures received from Ernst & Young LLP and required by PCAOB Rule 3520 (Auditor Independence). The Audit Committee received a letter from Ernst & Young LLP confirming its independence and discussed it with them. The Audit Committee discussed and reviewed with Ernst & Young LLP the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of Ernst & Young LLP's audits and all fees paid to Ernst & Young LLP during the fiscal year. The Audit Committee has adopted guidelines

requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by Ernst & Young LLP for the Company. The Audit Committee has reviewed and considered the compatibility of Ernst & Young LLP's performance of non-audit services with the maintenance of Ernst & Young LLP's independence as the Company's independent registered public accounting firm.

Conclusion

Based on the Audit Committee's review and discussions with management and the independent registered public accounting firm referred to above, the Audit Committee's review of the Company's audited financial statements, the representations of management and the report of Ernst & Young LLP to the Audit Committee, the Audit Committee recommended to the board of directors that the audited financial statements as of and for the year ended September 30, 2016, be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2016, for filing with the SEC. The Audit Committee also recommended the selection of Ernst & Young LLP to serve as the independent registered public accounting firm of the Company for the year ending September 30, 2017.

The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Online Access to Annual Reports on Form 10-K and Proxy Statements

The Notice of Annual Meeting, Proxy Statement and Annual Report on Form 10-K for our fiscal year ended September 30, 2016, are available at www.medleycapitalcorp.com. Instead of receiving future copies of the proxy statement and Annual Report on Form 10-K by mail, you may, by following the applicable procedures described below, elect to receive these documents electronically, in which case you will receive an e-mail with a link to these documents.

Stockholders of Record: You may elect to receive proxy materials electronically next year in place of printed materials by logging on to www.virtualshareholdermeeting.com/MCC2017 and entering your control number, which you can locate on the accompanying proxy card. By doing so, you will save the Company printing and mailing expenses, reduce the impact on the environment and obtain immediate access to the Annual Report on Form 10-K, proxy statement and voting form when they become available.

Beneficial Stockholders: If you hold your shares through a broker, bank or other holder of record, you may also have the opportunity to receive copies of the Proxy Statement and Annual Report on Form 10-K electronically. Please check the information provided in the proxy materials mailed to you by your broker, bank or other holder of record regarding the availability of this service or contact the broker, bank or other holder of record through which you hold your shares and inquire about the availability of such an option for you.

If you elect to receive your materials via the Internet, you can still request paper copies by leaving a message with Investor Relations at 212-759-0777 or by sending an e-mail to sam.anderson@mdly.com.

Householding of Proxy Materials

In a further effort to reduce printing costs, postage fees and the impact on the environment, we have adopted a practice approved by the SEC called “householding.” Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our proxy materials, unless any of these stockholders notifies us that he or she wishes to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another stockholder and received only one set of proxy materials, but would like to request a separate copy of these materials, please contact Broadridge by calling 800-542-1061 or by writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Similarly, you may also contact Broadridge if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.
